WELCOME TO VEER!

We hope you enjoy your adventures as much as we enjoy dreaming and building the Cruiser XL platform. Please review these instructions carefully prior to assembly and use of this accessory.

WARNING

Failure to follow these warnings and the instructions could result in death or serious injury.

SUFFOCATION HAZARD

Babies have suffocated:

- On pillows, comforters and extra padding.
- In gaps between a wrong size mattress, or extra padding and product sides.
- **NEVER** add soft bedding or padding
- Use **ONLY** mattress provided by manufacturer.
- Always place baby on back to sleep to reduce the risk of SIDS and suffocation.
- If a sheet is used with the pad, use only the one provided by the product manufacturer or one specifically designed to fit the dimension of the product mattress.
- Never use plastic shipping bags or other plastic film as a mattress cover not sold or intended for that purpose. They can cause suffocation.
- Discard all plastic packing materials immediately after opening.

FALL HAZARD:

- To help prevent falls, do not use this product when the infant begins to push up on hands and knees or has reached 9 Kg (20 Lbs), whichever comes first.
- Ensure that all the locking devices are engaged before use.

STRANGULATION HAZARD:

- Strings can cause strangulation! **DO NOT** place items with a string around a child's neck, such as hood strings or pacifier cords.
- **DO NOT** suspend strings over a bassinet/crib/cradle or attach strings to toys.
- **DO NOT** place the Cruiser XL with the Nap System XL near a window or patio door where cords from blinds or drapes can strangle an infant.
